Perform

Plant historian

- Key trends
- Equipment status
- Utility consumption

LIMS

- Quality matrix
- Fermentation samples
- Distillation samples
- ETP samples

e-P3 (D*)

- Maintenance records
- Equipment, Instrument
- Piping & valves
- PSV's

- Automatic electronic logbook (shift-wise & operator wise)
- Operator help

EXPERT SYSTEMS

Technology Partner - **Honeywell**

- Digitization initiatives
- Remote access and monitoring
- Modular Design
 - Role based access
- VPN / Cloud access
- Common & secure database
- Flexible & Scalable System
